

HOMEBUYER WORKSHOP

Are you thinking about buying your first home? Not sure if you're ready or how much you can afford? Well join the Bank of Easton for their Homebuyer Workshop, June 26, 2010 from 9:00 – 12:00 at the Robert Drive Branch.

The process of buying a home can often be confusing and time consuming. The Bank of Easton Homebuyer Workshop was created to educate homebuyers about the home buying process and what to expect with the purchase of their first home. Through the workshop, a prospective homebuyer will gain a better understanding of the key factors involved in preparing to buy a home, the steps for reviewing and restoring your credit, and a complete understanding of the home buying process.

Professionals from the Bank of Easton work closely with the homebuyer through every step in an effort to simplify and reduce the stress of the homebuying process. We will also have a Realtor, Attorney, and Insurance Agent at the workshop to explain their roles in the homebuying process. They will be available to answer any questions that you may have in regards to their involvement in the process.

To reserve your spot at the Homebuyer Workshop, contact Cheryl Beauvais by email at cbeauvais@bankofeaston.com or call 508-238-1000 ext. 12. We will also be serving a continental breakfast and raffling off prizes.
