Recently, Easton has been the recipient of several accolades. In 2009 and 2011, *Money Magazine* named Easton one of the 100 Best Small Towns in America. In 2008, the Easton Lions Club was named the most outstanding Lions Club in the world. These recognitions point out something we already know – that Easton is a wonderful town with a wealth of historic and natural treasures. One of our greatest treasures, however, is the abundance of residents willing to contribute their time and talent to our community.

The men and women of the Lions Club are a perfect example of that commitment to community. We know the holidays are near when we see the Lions Club members begin preparing the Rockery for the Holiday Festival. We would like to thank them for everything they do for Easton, and particularly for ensuring that this wonderful tradition continues.

On behalf of the Easton Board of Selectmen, please accept our congratulations on this 25<sup>th</sup> anniversary of the Holiday Festival. We thank you for your service and wish you much success with your endeavors in the New Year.

Sincerely,  
Colleen Corona, Chair  
Board of Selectmen
