September 16, 2011

To: Easton Residents

From: Easton Department of Public Works

Dear Residents,

This is a courtesy letter to inform you that the paving of Summer Street and Randall Street will begin tomorrow, Saturday, September 17, 2011 at 7:00 a.m. The paving will mostly be concentrated around the Randall Street entrance to Oliver Ames High School and through the intersection of Summer Street and Randall Street moving towards Center Street. The remainder of the paving will take place on Monday, September 19, 2011.

We apologize for this last minute notice and any inconveniences this may cause, but the contractor had an opening in their schedule that we needed to act upon before the winter months set in.

Please try to schedule your activities around the paving of these roadways. There will be Police Details to assist you through the construction.

Thank you for your patience as we conduct our roadway improvements within the Town of Easton.

Easton Department of Public Works
