The Easton Board of Assessors is reminding Easton businesses that they must file a Form of List reporting all personal property each year. In accordance with Massachusetts General Law Chapter 59, Section 29, all taxable tangible personal property owned by businesses shall be listed on a Form of List and returned to the Assessors' Office by March 1.

Forms of List may be found and printed from the Assessors' web page on the town's web site at www.easton.ma.us. Once on the site go to Departments and click on Assessors. On the left side, there will be Form of List. Business owners should print out the form, fill it out and return it to the Easton Board of Assessors, 136 Elm Street, North Easton, MA 02356.

Businesses that have not filed by the due date should file immediately or request an extension by writing to the Board of Assessors. Property for businesses that do not file will be estimated. Failure to file could also affect value and a right to appeal.

For further information or questions, please call the Board of Assessor at 508-230-0520.
