8. Levels of Involvement. Please indicate the level you are interested in:

 Response/Inactive Level: Response Level involves a minimal time commitment. Members are only asked to volunteer in the event of a mass emergency. You are required to complete to 1 ½ hour trainings, which can be done in person or online. If activated, volunteers will receive training specific to the event before being assigned to a deployment.

 Active Level: Active Level involves slightly more time commitment. In addition to the initial mandatory trainings you plan to attend other trainings of your choice. A minimum of two trainings/meetings a year is required to maintain active level. If activated, volunteers will receive training specific to the event before being assigned to a deployment.

 Leadership Level: Leadership Level is open to those who want a role in management of a clinic or a part of a clinic. There is a larger training commitment, requiring 10-15 hours of training in addition to the initial orientation. You may also want to be involved in your local chapter at the council level. If activated, volunteers will receive training specific to the event before being assigned to a deployment.

9. References: Please provide 2 references. For licensed applicants, at least 1 professional reference is preferred from a current or previous employer or colleague.
