

Easton Recreation Department

15 Barrows St.
North Easton, MA 02356

Dear Family and Friends,

The health and educational growth of Easton's young people is of the utmost importance to the community. Athletics and recreation are an integral part of a child's transition to adulthood. They assist the learning process by increasing alertness, energy, and by helping to improve concentration. Sports and recreation can increase a young person's determination to succeed, build self-confidence and teach discipline. Sports also help keep kids off the streets and in the classroom.

The **Easton Recreation Department** is currently in the process of conducting a local fund-raising event. We will be contacting local residents to help sponsor our big **Red Sox Alumni Softball game, Saturday, September 11th @ 5PM at Frothingham Park**. Proceeds from the fundraiser go to after-school programs, summer programs, the Town Pool and many other programs the Easton Recreation Department supports throughout the year.

Everyone helping out also receives complimentary tickets and an official receipt. This game will prove to be an exciting, action packed time for all ages. There will be opportunities for autographs and photos with the celebrities. Please take a moment to consider the value of the many Recreation Department supported programs in your community and show your concern by helping sponsor this endeavor.

We thank you in advance for your support!

Sincerely,
Easton Recreation Department
