

Application for Class II License (License for buying, sell or exchanging of secondhand motor vehicles)

Dear License Applicant:

Please review the following instructions and list of required documents to determine requirements for your application.

It is important to note that:

- Issuance of a new Class II license requires abutter notification. The applicant must contact the **Assessors Office (508) 230-0520** to obtain the Abutters List to complete the certified mailings.
- Abutter notification is required when a Class II licensee transfers to a new location.
- Abutter notification is **not** required when a transfer related to ownership of the license occurs and the location remains the same.
- The annual license fee is paid during annual license renewal during October. Therefore, if a transfer occurs (relating to either ownership or location) only the filing fee is required.
- A hearing with the Board of Selectmen is required for all Class II license transactions and will be scheduled by our office upon receipt of the completed application and required fees. Prior to the hearing other departments will review and comment on the application. You will be informed of any issues prior to the hearing.
- Please contact our Planning & Community Development Department (508) 230-0630 as an approved site plan is required.
- Prior to starting your application, please review Easton Town Code (at the end of this document) relating to the Sale of Motor Vehicles and also [Mass General Law Chapter 140](#).

All documents may be accessed online or printed and then completed. If you would like a hard copy of any of these documents mailed to you, please contact our office at (508) 230-0501.

Thank you,
