

**CABLE ADVISORY COMMITTEE
COMMITTEE CHARGE**

The Cable Advisory Committee is charged with the responsibility to:

- assess local cable needs
- monitor company compliance with the contract
- solicit and review proposals from cable companies
- negotiate contracts with cable providers in the best interest of the community in terms of programming, cost to consumer, and amenities provided to the municipality and schools, and make recommendations to the licensing authority (the Board of Selectmen) regarding contract terms
- obtain community input in fulfillment of "Municipal Ascertainment" guidelines of the Massachusetts Cable Television Division

The Cable Advisory Committee shall be comprised of three members appointed by the Board of Selectmen.

Approved 5/9/05 by Selectmen

Revised 6/18/12 by Board of Selectmen
