

# YOU ASKED, WE LISTENED

Announcing weekly recycling and  
quarterly bulky item pickup with

## Waste Management

- Effective October 1, 2014, Waste Management customers in Easton will now have their 96 gallon single stream recycling bin picked up every week along with their regular trash.
- Bulky item pickup frequency will be doubled, with dates in March, June, September, and December each year.
- Waste Management will be converting their trucks from diesel to cleaner, greener, compressed natural gas.

***This improved service comes with no fee increase!***
