## **Scheduled Construction Activities for the Week of July 27, 2020**

During the week of July 27, 2020, C. Naughton Corp is tentatively scheduled to perform the following construction activities:

- Final sewer pipe testing and other miscellaneous follow-up construction activities are scheduled to occur on all roads along Foundry Street associated with the Five Corners Sewer Construction Project. **Traffic will flow in both directions, in an alternating pattern around the work zones – delays are to be expected.** Please follow the instructions of the police detail officers who will be present, and use caution when traveling through the work zones.
- Construction activities will be ongoing at the pump station site located at 564 Foundry Street.
- **The permanent paving of Bay Road, Depot Street, and the portion of Foundry Street east of Bay Road, along with the final surface course of paving on all roads impacted by the project is tentatively scheduled to take place in September/October.** The Foundry Street detour will be reactivated again in the early fall to accommodate the completion of final paving surface treatments.

### **Hours of Operation**

- Construction activities are scheduled to take place Monday through Friday between the hours of 7:00AM and 5:00PM. At this time, no work has been scheduled to occur during the evening or overnight periods.

## Twenty-Four Hours A Day, Seven Days A Week

Our Team is available to you twenty-four hours a day, seven days a week. Should you have any questions or concerns about construction, you may email the project team at [fivecorners@easton.ma.us](mailto:fivecorners@easton.ma.us) or call **(888) 527-6797**.
