

Scheduled Construction Activities for the Week of September 21, 2020

During the week of September 21, 2020, C. Naughton Corp, is tentatively scheduled to perform the following construction activities:

- Milling and paving operations will take place from Foundry Street to the entrance of the Highlands Plaza on Robert Drive beginning Monday, September 21, 2020.
- Traffic will flow in both directions around crews and equipment; however, travel lanes will be shifted as necessary to facilitate the milling and paving operations. Please use caution while traveling through the work zone and expect delays.
- School busses will follow scheduled routes without delay. Access will be maintained to all businesses, and local residents throughout the milling and paving operation.

Please note as milling and paving operations progress, the Foundry Street detour will be activated to accommodate structure adjustment and final paving of Foundry Street between Roberts Drive and Depot Street. Signs and message boards will be in place prior to activation.

Hours of Operation

- Construction activities are scheduled to take place Monday through Friday between the hours of 7:00AM and 5:00PM.
