

Scheduled Construction Activities for the Week of June 22, 2020

During the week of June 22, 2020, C. Naughton Corp is tentatively scheduled to perform the following construction activities:

- Miscellaneous follow-up work to previously paved areas on Foundry Street, South Street, and Poquanticut Avenue will be underway throughout the week. **Minor delays are to be expected. Motorists are encouraged to plan accordingly and use caution when traveling through the work zone.**
- Restoration efforts will be ongoing along shoulder areas on all aforementioned roads.
- Construction activities will be ongoing at the pump station site located at 564 Foundry Street.
- **Traffic Notice:** It is anticipated the the Foundry Street detour will be deactivated and two-way traffic will be restored by the end of the week.
 - **The Foundry Street detour will be reactivated once again in the early fall to accommodate the completion of final paving surface treatments along Foundry Street between Robert Drive and the Five Corners intersection.** Final paving and shoulder restoration will be scheduled to take place on South Street, Poquanticut Avenue, Bay Road, Depot Street, and Foundry Street to the east of the Five Corners intersection at that time.

Hours of Operation

- Construction activities are scheduled to take placed Monday through Friday between the hours of 7:00AM and 5:00PM.

Twenty-Four Hours A Day, Seven Days A Week

Our Team is available to you twenty-four hours a day, seven days a week. Should you have any questions or concerns about construction, you may email the project team at fivecorners@easton.ma.us or call **(888) 527-6797**.
