

Scheduled Construction Activities for the Week of September 14, 2020

During the week of September 14, 2020, C. Naughton Corp, is tentatively scheduled to perform the following construction activities:

- Major paving operations will begin throughout all project areas around the Five Corners intersection on Monday, September 14, 2020.
- Traffic will flow in both directions around crews and equipment; however, travel lanes will be shifted as necessary and turning lanes may be restricted within the vicinity of the Five Corners intersection. **Delays are to be expected and traffic patterns will be subject to change as the work progresses.**
- Temporary intermittent closures will be required at times on Bay Road both to the north and south of the Five Corners intersection, as well as on Foundry Street to the east of the Five Corners intersection. In such cases, detours will be posted and motorists will be advised to follow signage and instructions from Police detail officers present.
- School busses will follow scheduled routes without delay. Access will be maintained to all businesses, and local residents within any temporarily closed area will have continuous access to and from their homes at all times.
- Miscellaneous support and advance work may be underway at times in other areas along Foundry Street near the intersection with Robert Drive.

Hours of Operation

- Construction activities are scheduled to take place Monday through Friday between the hours of 7:00AM and 5:00PM.

Twenty-Four Hours A Day, Seven Days A Week

Our Team is available to you twenty-four hours a day, seven days a week. If you have any questions or concerns about construction, you may email the project team at fivecorners@easton.ma.us or call (888) 527-6797.
