

Scheduled Construction Activities for the Week of September 28, 2020

During the week of September 28, 2020, C. Naughton Corp, is tentatively scheduled to perform the following construction activities:

- Final paving operations are scheduled to continue along Foundry Street. Miscellaneous advance work and follow-up activities will be underway throughout all project areas.
- **It is anticipated that the Foundry Street detour will be reactivated during the week of September 28, 2020, upon completion of final surface treatments on Bay Road to the south of the Five Corners intersection.**
 - Please use caution while traveling through the work zone and expect delays. Follow the posted detour signage and instructions from the Police Detail Officers that will be present.
- Access will be maintained to all businesses and residences during the final paving operations.

Hours of Operation

- Construction activities are scheduled to take place Monday through Friday between the hours of 7:00AM and 5:00PM.
