

Scheduled Construction Activities for the Week of September 7, 2020

During the week of September 7, 2020, construction activities will resume to prepare for final paving operations for the Five Corners Sewer Project. The project contractor, C. Naughton Corp, is tentatively scheduled to perform the following construction activities:

- Crews are scheduled to work in the roadways to lower manhole structures within the Five Corners intersection, as well on Foundry Street to the east of the Five Corners intersection, Bay Road to the north and south of the Five Corners intersection, and also on Depot Street.
- Miscellaneous construction activities are anticipated to occur at times throughout all project areas during the week.
- It is anticipated that traffic will flow in both directions around the work zones, but minor delays are to be expected. **Temporary intermittent closures may be required on Bay Road both to the north and south of the Five Corners intersection, as well as on Foundry Street to the east of the Five Corners intersection.** In such cases, detours will be posted and motorists will be advised to follow signage or instructions from the Police Detail Officers present.

Hours of Operation

- Construction activities are scheduled to take place Monday through Friday between the hours of 7:00AM and 5:00PM.
- No work is scheduled for Monday, September 7, 2020 in observance of the Labor Day holiday.

Twenty-Four Hours A Day, Seven Days A Week

Our Team is available to you twenty-four hours a day, seven days a week. If you have any questions or concerns about construction, you may email the project team at fivecorners@easton.ma.us or call (888) 527-6797.
