

Scheduled Construction Activities for the Week of July 1, 2019

During the week of July 1, 2019, C. Naughton Corp is tentatively scheduled to perform the following construction activities:

- Completion of temporary water system.
- Finalize the construction of temporary traffic signals at the intersections of Foundry Street and Highland Street; and Bay Road and Highland Street.
- Construction crews will also be placing construction materials at staging areas along Foundry Street to the West of Poquanticut Avenue.

*Please be advised, there are no planned construction activities on **Thursday, July 4, 2019** in observation of the Independence Day Holiday or **Friday, July 5, 2019**.*

The Foundry Street Detour is anticipated to begin during the week of Monday, July 8, 2019.

This work will be performed Monday through Friday between the hours of 7:00 a.m. and 4:00 p.m. Please plan ahead for travel, expect delays and use caution while traveling through the work zones. The Town of Easton appreciates your patience during this construction project and reminds everyone to please drive safely.

Sewer Service Information Form

The [sewer service information form](#), is available on the fivecornerssewer.com website. This form is necessary to allow your sewer service pipe to be installed at the correct location along your property line. You can email the completed form direct to Chris Munroe at MunroeC@peerpc.com. If you have any questions, or need assistance in filling out the form, please do not hesitate to contact Chris at **(802) 598-1155**.

During construction, the Project Site Representative, Chris, may request access to your home to help locate your existing sewer line / septic pipe. His photo is displayed for safety reasons. We do not recommend letting anyone into your

home unless you've verified who they are.
