

Scheduled Construction Activities for the Week of July 22, 2019

During the week of July 22, 2019, C. Naughton Corp is tentatively scheduled to perform the following construction activities:

- Construction crews will continue work to install gravity sewer, force main, and associated manhole structures on Foundry Street between Poquanticut Avenue and Robert Drive.
- Crews will also focus on general site housekeeping and maintenance; weather permitting, trench restoration activities may occur during the week.
- The Foundry Street detour is operational and will remain in place 24 hours a day, 7 days per week until the winter months when it will be deactivated. It may be necessary to reactivate the detour in the spring of 2020 for roadway restoration activities. Please be advised that traffic monitoring will continue throughout the project, and adjustments will be made as necessary.

Construction activities will be performed Monday through Friday between the hours of 7:00 a.m. and 4:00 p.m. Please plan ahead for travel and expect delays. The Town of Easton appreciates your patience during this construction project and reminds everyone to please drive safely.

As the height of summer passes and temperatures grow warmer, we caution property owners connected to the temporary water main bypass to run your faucet for a few moments before consumption. Doing this will flush water that may have elevated temperatures from idling in the temporary water main bypass piping.

Sewer Service Information Form

The [sewer service information form](#), is available on the fivecornerssewer.com website. This form is necessary to allow your sewer service pipe to be installed at the correct location along your property line. You can email the completed form direct to Chris Munroe at MunroeC@peercpc.com. If you have any questions, or need assistance in filling out the form, please do not hesitate to contact Chris at **(802) 598-1155**.

During construction, the Project Site Representative, Chris, may request access

to your home to help locate your existing sewer line / septic pipe. His photo is displayed for safety reasons. We do not recommend letting anyone into your home unless you've verified who they are.

Twenty-Four Hours A Day, Seven Days A Week

Our Team is available to you twenty-four hours a day, seven days a week. Should you have any questions or concerns about this project, you may email us at fivecorners@easton.ma.us or call us at **(888) 527-6797**.
