

Scheduled Construction Activities for the Week of July 29, 2019

During the week of July 29, 2019, C. Naughton Corp is tentatively scheduled to perform the following construction activities:

- It is anticipated that the installation of gravity sewer and force mains on Foundry Street will be completed to Robert Drive from the pump station located near Poquanticut Avenue.
- Upon completion of the sewer main work, crews will begin to install new water main from the intersection of Robert Drive proceeding east toward Poquanticut Avenue.

Please note as the work zone approaches the intersection of Robert Drive, a temporary lane shift for westbound traffic on Foundry Street may be implemented.

- Crews will also focus on general site housekeeping and maintenance; weather permitting, trench restoration activities may occur during the week.

The Foundry Street detour is operational and will remain in place 24 hours a day, 7 days per week until the winter months when it will be deactivated. It may be necessary to reactivate the detour in the spring of 2020 for roadway restoration activities. Traffic monitoring will continue throughout the project, and adjustments will be made as necessary.

Construction activities will be performed Monday through Friday between the hours of 7:00 a.m. and 4:00 p.m. Please plan ahead for travel and expect

delays. The Town of Easton appreciates your patience during this construction project and reminds everyone to please drive safely.

Sewer Service Information Form

The [sewer service information form](#), is available on the fivecornerssewer.com website. This form is necessary to allow your sewer service pipe to be installed at the correct location along your property line. You can email the completed form direct to Chris Munroe at MunroeC@peerpc.com. If you have any questions, or need assistance in filling out the form, please do not hesitate to contact Chris at **(802) 598-1155**.

During construction, the Project Site Representative, Chris, may request access to your home to help locate your existing sewer line / septic pipe. His photo is displayed for safety reasons. We do not recommend letting anyone into your home unless you've verified who they are.

Twenty-Four Hours A Day, Seven Days A Week

Our Team is available to you twenty-four hours a day, seven days a week. Should you have any questions or concerns about this project, you may email us at fivecorners@easton.ma.us or call us at **(888) 527-6797**.
