

## Scheduled Construction Activities for the Week of July 8, 2019

During the week of July 8, 2019, C. Naughton Corp is tentatively scheduled to perform the following construction activities:

- Start-up of the temporary traffic signals and the initiation of the Foundry Street westbound detour. (The detour is anticipated to begin on Tuesday, July 9th but is dependent on power being provided to the signals by National Grid.)
- Excavation activities are to begin for the sewer installation from the west side of Beaver Brook to Robert Drive.

This work will be performed Monday through Friday between the hours of 7:00 a.m. and 4:00 p.m. Please plan ahead for travel, expect delays and use caution while traveling through the work zones. The Town of Easton appreciates your patience during this construction project and reminds everyone to please drive safely.

## Sewer Service Information Form

The [sewer service information form](#), is available on the [fivecornerssewer.com](http://fivecornerssewer.com) website. This form is necessary to allow your sewer service pipe to be installed at the correct location along your property line. You can email the completed form direct to Chris Munroe at [MunroeC@peerpc.com](mailto:MunroeC@peerpc.com). If you have any questions, or need assistance in filling out the form, please do not hesitate to contact Chris at **(802) 598-1155**.

During construction, the Project Site Representative, Chris, may request access to your home to help locate your existing sewer line / septic pipe. His photo is displayed for safety reasons. We do not recommend letting anyone into your home unless you've verified who they are.

**Twenty-Four Hours A Day, Seven Days A Week**

Our Team is available to you twenty-four hours a day, seven

days a week. Should you have any questions or concerns about this project, you may email us at [fivecorners@easton.ma.us](mailto:fivecorners@easton.ma.us) or call us at **(888) 527-6797**.
