## Scheduled Construction Activities for the Week of June 24, 2019

During the week of June 24, 2019, C. Naughton Corp is tentatively scheduled to continue the following construction activities:

- Continue the installation of temporary water bypass piping along Foundry Street.
- Continue the installation of temporary traffic control devices throughout the project area.

**The Foundry Street Detour is anticipated to begin during the week of Monday, July 8, 2019.**

This work will be performed Monday through Friday between the hours of 7:00 a.m. and 4:00 p.m. Please plan ahead for travel, expect delays and use caution while traveling through the work zones. The Town of Easton appreciates your patience during this construction project and reminds everyone to please drive safely.

## Sewer Service Information Form

The [sewer service information form](#), is available on the [fivecornerssewer.com](http://fivecornerssewer.com) website. This form is necessary to allow your sewer service pipe to be installed at the correct location along your property line. You can email the completed form direct to Chris Munroe at [MunroeC@peercpc.com](mailto:MunroeC@peercpc.com). If you have any questions, or need assistance in filling out the form, please do not hesitate to contact Chris at **(802) 598-1155**.

During construction, the Project Site Representative, Chris, may request access to your home to help locate your existing sewer line / septic pipe. His photo is displayed for safety reasons. We do not recommend letting anyone into your home unless you've verified who they are.
