

Scheduled Construction Activities for the Week of March 9, 2020

During the week of March 9, 2020, C. Naughton Corp is tentatively scheduled to perform the following construction activities:

- Overnight sewer main installation will continue Monday night through Thursday night on Depot Street between the hours of 8:00PM and 6:00AM. Traffic will flow in both directions around the work zone and access will be maintained to businesses during construction at all times.
 - A separate crew will be paving the sewer trench on Depot Street during the daytime between the hours of 9:00AM and 3:00PM.
- Sewer main installation will begin on Monday, March 9, 2020 on Bay Road to the north of the Five Corners intersection; construction activities will start and progress from Depot Street. Work will be ongoing between the hours of 7:00AM to 5:00PM, Monday through Friday.
 - **Traffic Notes for Bay Road Construction Activities:** *During working hours, no through-traffic will be permitted through the work zone, with the exception of school buses, which will maintain normal routes. Local residents on Bay Road between Cross Street and Depot Street will have continuous access, but depending on the specific address and location of the crew and equipment, some residents may be required to access properties from either the Depot Street end or from the Cross Street / Beaver Dam Road end of Bay Road. **Similarly, residents on Lancelot Lane, Guinevere Road, King Arthur Road, Merlin Drive, and Talcott Road will have continuous access from the Cross Street end of Bay Road or by way of Beaver Dam Road.***
- Pump station construction operations and material processing will be ongoing at the pump station site located at 560 Foundry Street.
- Miscellaneous clean up and restoration actions will begin along the shoulders on Foundry Street, South Street, and Poquanticut Avenue. These efforts will be ongoing during the coming weeks.

Twenty-Four Hours A Day, Seven Days A Week

Our Team is available to you twenty-four hours a day, seven days a week. Should you have any questions or concerns about this project, you may email us at fivecorners@easton.ma.us or call us at **(888) 527-6797**.
